

Altice announces Bruno Zerbib as new Group CTO

March 20, 2017 – Altice N.V. (Euronext: ATC, ATCB) today announces that Bruno Zerbib has joined the management team as Altice Group Chief Technology Officer, effective immediately. Bruno will lead Altice's global technology and infrastructure journey.

Bruno Zerbib joins us from Hewlett Packard Enterprise where he held the position of Vice President Product Management, Cloud BU, and before that he was Senior Director Product Management, Cloud Services, for Yahoo.

Bruno Zerbib is a highly accomplished leader with an outstanding 17-year track record in Product Management, Product Marketing, Corporate Strategy and Strategic Alliances. Bruno has managed portfolios and associated roadmaps, development and operations for a wide range of products including telecommunication, consumer, B2B, SaaS, IaaS, infrastructure, dedicated/hardware, and cloud.

Bruno will report to Michel Combes, Altice Group CEO.

About Altice

Founded by telecom entrepreneur, Patrick Drahi, Altice is a multinational cable, fiber, telecommunications, contents and media company with presence in four regions – Western Europe (comprising France, Portugal and Switzerland), the United States, Israel, and the Overseas Territories (currently comprising the

French Caribbean, the Indian Ocean regions and the Dominican Republic). Altice provides very high speed based services (high quality pay television, fast broadband Internet and fixed line telephony) and, in certain countries, mobile telephony services to residential and corporate customers. Altice is also active in the media space with a portfolio of channels (News, Sports, Lifestyle etc.) as well as providing Premium content on nonlinear platforms; it also produces its own original content (Series, Movies etc.).

Altice (ATC & ATCB) is listed on NYSE Amsterdam.
