Altice N.V. Announces Election Period and Anticipated Effective Date of Distribution of Altice USA Shares

Altice USA Announces Anticipated Payment Date of Cash Dividend and Publication of Altice USA Prospectus

May 24, 2018 – Altice N.V. ("Altice NV" or the "Company", Euronext: ATC, ATCB) today announces that the planned pro rata distribution (the "Distribution") to its shareholders of shares of Altice USA, Inc. ("Altice USA", NYSE: ATUS) common stock it owns is expected to take place on June 8, 2018. Altice USA has today published a prospectus (the "EU Prospectus") in connection with the Distribution, which has been approved by the Dutch Authority for the Financial Markets, and announces that the payment date for its previously announced cash dividend of \$2.035 per share is expected to be June 6, 2018, the second business day prior to the Distribution. The Distribution is part of the intended separation of Altice USA from Altice NV (the "Separation"). The Separation was announced by Altice NV on January 8, 2018. In connection with the Separation, Altice NV will be renamed "Altice Europe".

The Separation of Altice USA from Altice NV

The Separation is to be effected by a special distribution in kind by Altice NV of its 67.2% interest in Altice USA to Altice NV shareholders out of Altice NV's share premium reserve.¹ Each shareholder of Altice NV as of 18:00 CET on May 23, 2018, the Distribution record date, will be entitled to receive 0.4163 shares of Altice USA common stock for every share held by such shareholder in the Company's capital.

Election of percentage of Altice USA Class A common stock and Class B common stock

Between May 24, 2018 and June 4, 2018 (the "Election Period"), each Altice NV shareholder will be given the opportunity to elect the percentage of shares of Altice USA Class A common stock and shares of Altice USA Class B common stock such shareholder will receive in the Distribution, whereby the number of shares of Altice USA Class B common stock to be distributed will be subject to a cap of 50% of the total shares of Altice USA common stock being distributed (the "Class B Cap"). If the Class B Cap is exceeded, the shares of Altice USA Class B common stock delivered to the Company's shareholders of record who elect to receive them will be subject to proration, and such shareholders will receive shares of Altice USA Class A common stock in lieu of the portion of shares of Altice

¹ The distribution will exclude shares indirectly owned by Altice NV through Neptune Holding US LP.

USA Class B common stock that is cut back. If an Altice NV shareholder does not make an election, the Distribution will be paid to such shareholder in the form of Altice USA Class A common stock. Based on the final results of the election and any proration, Altice NV will convert shares of Class B common stock into the requisite number of shares of Class A common stock for the Distribution, which we expect will take place on June 8, 2018. Altice NV expects to announce the number of shares of Altice USA Class A common stock and Class B common stock to be distributed to its shareholders on June 7, 2018.

The Distribution will be handled as an optional dividend and will be executed by Euroclear Nederland.

Holders of Altice USA Class A common stock are entitled to one vote per share and holders of Altice USA Class B common stock are entitled to twenty-five votes per share, in each case, on any matter submitted to a vote of Altice USA stockholders. Shares of Altice USA Class A common stock are listed on the New York Stock Exchange ("NYSE") under the symbol "ATUS." Shares of Altice USA Class B common stock will not be listed on the NYSE or any other stock exchange.

When-Issued Trading in Altice USA Class A Common Stock

The NYSE has informed Altice USA that from commencement of the election period on May 24, 2018 through the consummation of the Distribution on June 8, 2018, shares of Altice USA's Class A common stock to be distributed to Altice NV shareholders in the Distribution will trade on a when-issued basis under the ticker symbol "ATUS-WI". This will be in addition to trading of Altice USA Class A common stock in the "regular way" market under the ticker symbol "ATUS". Buyers and sellers of Altice USA Class A common stock in the when-issued market should consult their broker for additional information about when-issued trading before trading in Altice USA's Class A common stock in the when-issued market to be sure they understand the effect of the NYSE's when-issued trading procedures. Holders of shares of Altice USA Class A common stock trading on a when-issued basis will not be entitled to the Altice USA cash dividend expected to be paid on June 6, 2018. From and after June 11, 2018, all Altice USA Class A common stock will continue to trade in the regular way under ticker symbol "ATUS".

Availability of EU Prospectus

The prospectus (the "US Prospectus") that is included in Altice USA's registration statement on Form S-1, which was declared effective by the U.S. Securities and Exchange Commission (the "SEC") on May 23, 2018, is incorporated by reference into the EU Prospectus. Shareholders of Altice NV should carefully read the entire EU Prospectus (and the US Prospectus which is incorporated by reference therein) before electing the percentage of shares of Altice USA Class A common stock and shares of Altice USA Class B common stock they wish to receive in the Distribution. The EU Prospectus (and the US Prospectus which is incorporated by reference therein) may be obtained free of charge from Altice USA's website (<http://investors.alticeusa.com/investors/Separation-of-Altice-USA-from-Altice-NV/default.aspx>) and Altice NV's website (www.altice.net/separation-altice-usa-altice-nv) and during usual business hours on any weekday from the principal executive office of

Altice USA at 1 Court Square West, Long Island City, NY 11101, United States of America and the registered office of Altice NV at Prins Bernhardplein 200, 1097 JB Amsterdam, the Netherlands.

Altice USA Cash Dividend

On May 14, 2018, Altice USA announced that its Board of Directors had declared a one-time cash dividend of \$2.035 per share of Altice USA Class A common stock and Class B common stock. The dividend is payable to stockholders of record at the close of business on May 22, 2018. Altice USA today announces that the payment date for the one-time cash dividend will be June 6, 2018, two business days prior to the anticipated completion of the Distribution.

If the Master Separation Agreement entered into on May 18, 2018 by Altice NV and Altice USA in connection with the separation of Altice USA from Altice NV is terminated on or prior to the payment date of the dividend, the payment of the one-time cash dividend will not occur. Because the payment of the dividend is subject to a condition, as required by New York Stock Exchange (“NYSE”) rules, Altice USA’s Class A common stock will trade with “due-bills” representing an assignment of the right to receive the cash dividend beginning on May 21, 2018 (one business day prior to the record date) through the payment date, June 6, 2018, and will not trade ex-dividend until June 7, 2018, the first business day after the payment date. **Stockholders who sell their shares of Altice USA Class A common stock on or before the payment date will not be entitled to receive the cash dividend.**

Due-bills obligate a seller of shares of stock to deliver the dividend payable on such shares to the buyer. The due-bill obligations are settled customarily between the brokers representing the buyers and sellers of the stock. Altice USA has no obligation for either the amount of the due-bill or the processing of the due-bill. Buyers and sellers of Altice USA’s Class A common stock should consult their broker before trading in Altice USA’s Class A common stock to be sure they understand the effect of the NYSE’s due-bill procedures.

The aggregate payment to holders of an odd number of shares of common stock of Altice USA will be rounded up to the nearest whole cent.
