Altice announces posting of certain information on its website

Luxembourg, Luxembourg - June 12, 2013: Altice VII S.à r.l., ("**Altice**") today announced that a report containing financial and other information relating to Altice, its subsidiaries and certain entities Altice intends to acquire, including certain pro forma information and updates to Altice's business and risk factors (the "**Report**") has been posted to Altice's website. To obtain a copy of the report please visit <http://www.altice.net/investorrelations.html>.

In addition, Altice expects to have securities of certain subsidiaries rated by two rating agencies. Although Altice cannot confirm pro-forma credit ratings until such rating agencies have published their final decision, Altice currently expects it may receive a downgrade to the Altice corporate credit rating from at least one rating agency following announcement by Altice today of certain financing transactions.

Altice is a Luxembourg based company, founded by telecom entrepreneur Patrick Drahi. Altice currently owns and operates cable, mobile, DSL and datacenter companies in Israel, Belgium, Guadeloupe, Luxembourg, Martinique, Portugal and Switzerland.

Caution regarding forward-looking information:

This news release may contain certain information that constitutes forward-looking statements. Forward-looking statements are frequently characterised by words such as "plan," "expect," "project," "intend," "believe," "anticipate" and other similar words, or statements that certain events or conditions "may" or "will" occur and include statements with respect to the Report. Forward-looking statements are based on the opinions and estimates of management at the date the statements are made, and are subject to a variety of risks and uncertainties and other factors that could cause actual events or results to differ materially from those projected in the forward-looking statements. Altice disclaims any obligation to update or revise any forward-looking statements if circumstances or management's estimates or opinions should change. The reader is cautioned not to place undue reliance on forward-looking statements.
