Altice announces it has made an offer for SFR

Paris - March 5, 2014: Altice S.A. (Euronext: ATC) today announced that it has made an offer to purchase a controlling stake in Vivendi's subsidiary, SFR, through Altice's subsidiary, Numericable.

Vivendi's Supervisory Board is considering the offer and Altice will update the market in due course.

About Altice

We are a multinational cable and telecommunications company with presence in three regions-Western Europe (comprising France, Belgium, Luxembourg, Portugal and Switzerland), Israel and the French Overseas Territories (currently comprising the French Caribbean and the Indian Ocean regions). We provide cable based services (high quality pay television, fast broadband Internet and fixed line telephony) and, in certain countries, mobile telephony services to residential and corporate customers.
