**Altice and Netflix ink global partnership
in France, Portugal, Israel and Dominican Republic**

June 12, 2017 - Altice (ATC, ATCB), convergent global leader in telecoms, content and advertising serving more than 50 million customers, announces today a multi-year partnership with Netflix which will lead to Netflix's content being made available to Altice customers into all eligible devices in France, Portugal, Israel and Dominican Republic.

The launch of the Netflix service on Altice's platforms will seamlessly bring critically-acclaimed original Netflix series, movies, documentaries, stand-up comedies and a wide range of kids' programming to Altice's customers across the globe.

The agreement with Netflix follows Altice's significant investment in content and sport through Altice studio's original creations, acquisitions of series and movies rights, and local and global distribution partnerships.

France will be the first Altice territory to launch Netflix. Exclusive promotional SFR family offers with Netflix will be available on June 13th.

The rollout will advance to other countries through 2017.
